

InformData's National Criminal Database solution.

- 850+ million public records
- 90+% coverage of U.S. population
- 2,000+ data sources

The difference is in the data

Imagine the simplicity of being able to manage your entire criminal research history in one place where our powerful search methods do the work. Simply combine your court data and criminal record search with our enhanced national criminal data. We'll use the results to triangulate on the relevant counties, seamlessly cutting costs, reducing noise and minimizing time spent finding the results you need.

Comprehensive. Transparent. Direct-source data.

- ✓ Criminal Data
- ✓ Warrants & Watchlists
- ✓ Arrest Data
- ✓ Sex Offender Registry Data
- ✓ Patriot Act Records

Inform yourself.
